Copyright, 1911, by The Press Publishing Co. (The New York World) HAT old 18 surely must be an unlucky number. Ask Charlie Harvey and Jimmy Johnson about it when they return from California. Harvey is manager for Owen More, who was knocked out in thir-

ounds yesterday afternoon by Champion Ad Wolgast. Johnson performs a like pleasant and profitable office for Joe Coster, who got all that was coming to him in thirteen rounds at the fists of Joe Rivers in Los

Although Moran showed his old skill, according to accounts of the battle wired from San Francisco, his punch had lost its sting and his endurance was not up to the old mark. Wolgast regarded Moran's condition and ability with little respect. He publicly told the newspaper men days before the match that he would knock the once great little Englishman out with body punches. And that is just

Wolgast knew that no mere human machine could endum the abuse Moran has put his body through ever since he knocked out Battling Nelson and became an attraction in front of and behind the footlights. Since that day Moran, except during this last training period, has resumed Saturday of this week and been drinking heavily and slipping away to all-night carousals. His man- Monday. Whether the meet would b ager. Charlie Harvey, told me a month ago that all he could hope for was to get two or three more good fights out of Moran, who was sliding down hill at a pace rivalling that once cut out by the famous Young Corbett.

On one occasion Owen, who was vaudevilling at the time, came on the stage with a hazy mind and a still unquenched with a hazy mind and a still unquenched to the sionally he hit at Moran's head, mostly fast as the money could be handled to say. Monday he would not say. Monday he would not say, but word has gone out among sporting men that the ponies may run at they never knocked him down or even drove him back. Wolgast's work was a strong contrast. He hadn't been weakened in any way. The iron was still this week.

Bookmakers reaped a rich harvest blow hurt, and he hit constantly. Occa-

thirst. Harvey was stationed in the wings on one side and Moran's wife on the other, intending to catch him when his turn was over and take him home for a night's a night's a stational was a night's a night his turn was over and take him home were directed at Moran's weak body.

In the thirteenth round, when Moran for a night's sleep. Owen was not confer a night's night was night. to the nearest place where they dis-feil, and it was all over but the long the change from the bill he had given pensed liquid refreshments—not even ten second count. waiting to change from tights to ordi- Wolgast has shown himself to be a

That sort of thing soon ends the career Battling Nelson called hit. He is a of a fighter, no matter how fast and genuine, rushing, slugging fighter, who strong and enduring and clever he may uses his head well when he is in danbe. Charite Harvey took Moran away ger, and just as well when the time to the big, clean mountains for a long comes to finish his man. with him every day. Mountain air, long lengers in spite of Moran's fate. Probably Knuckout Brown will receive the best offers from the boxing clubs, for and that his chance against Wolgast was good. But vital organs softened and weakened by dissipation won't "come back" in two or three months. K. O. may not be as clever and finished moran was beaten. He had the old skill, but not the set, but he has what Moran was beaten. He had the old skill, but not the set. time, and stayed with him and trained Of course there will be many chal-

gameness and the old skill, but not the of the best, but he has what Moran lacked—youth and entirely unimpaired strength and vitality and confidence.

The very first round Wolgast better the body. By the tion is an ice cream soda, and he that enabled the Mack tribe to get into

san playing for the body. By the fifth Moran was in distress. He fought on the defensive, only occasionally going in with his usual rush. He hit cleanly, and often caught Wolgast endurance and recuperating power.

In fact they were the stepping stone the Giants baseball location for the other fellow), a wicked punch in either right or left, and worlds of the New Yorks have dropped four tribe is made and recuperating power.

In fact they were the stepping stone that enabled the Mack tribe to get into first place in the American League race. The New Yorks have dropped four tribe is made and recuperating power.

THIRD PLACE.

And they call it "Slowtown!" If we had our two clubs in first place in their respective Leagues we would be willing to have our city nicknamed anything. The two Philadelphia teams certainly had a field day with the Phillies walloping the Giants twice and going into the top berth, while the Athletics treated the Highlanders to a similar dose here. The World's Champions, by their brace of victories, went ahead of the Tigers, who

At one time the Detroits had twenty games won out of twenty-two played, and the American League pennant looked like a walkover for them, as

The National League race is surely one of the most exciting in the history of the game. Yesterday's results caused a general shaking up of the first division clubs. The Giants dropped from first to third, the Cubs being a half game ahead of them. Cardinals are playing great ball, being only three full games behind the Giants and four behind the leaders. The Pirates are fifth, four and a half games behind the foremost club.

the Athletics were at the bottom. The chances are that the Tigers won't be able to pass the Mack team during the rest of the season. Philadelphia
